EASY TO CLEAN . EASY TO SHINE

**Ezee** is a collection of cleaning and detergent products with anti-bacterial properties to be tough on the germs yet easy on the pockets. The Ezee collection includes dishwashing paste, dishwashing gels, scouring powder, toilet cleaners, bleach, cleaner & polish aerosol and all-purpose washing liquids to provide complete care for all household cleaning needs.

Discover our range of products that ensure the best quality in removing grease and stains, while killing 99% germs for a cleaner and healthier household.

**The Protector** brand has initiated the conversation on quality hygiene products, made available at your convenience. The brand consists of hand sanitizers, antiseptic disinfectants, and surface disinfectants for complete care for every individual and their living spaces.

**Airoma** Air Fresheners are the ultimate blend of brilliant scents to enhance your home atmosphere. It is formulated with the patented MalOdour Eliminator Technology to neutralize the strongest odours in the room, leaving a lingering fresh scent. They also contain natural anti-bacterial ingredients that kill 99% of bacteria, along with eliminating odours and moistening the air.

**Build Mart** has extended its product portfolio and partnered with Vivek Group from Kenya to exclusively Import and distribute their product in Tanzania
