

# THE Finest Selection of GOURMET Cheeses

## QUICK INTRO

Happy Cow Ltd, founded in 1996, is fully fledged dairy manufacturer focused on producing a diverse portfolio of quality, value added dairy products. With production based in Nakuru, Happy Cow's portfolio mainly consists of cheese, yoghurts and fermented milk products; distributed to leading retail and food service institutions nationwide and across East Africa.

**Buildmart** is your one-stop shop for streamlining procurement and elevating guest experiences in Tanzania's vibrant HORECA sector. Established in 2013, we've become a leading importer of high-quality supplies specifically catering to the needs of hotels, restaurants, and cafes.

Beyond just products: We partner with leading brands to provide a comprehensive selection of consumables and non-consumables essential for your daily operations. From food & beverage to housekeeping and amenities, you'll find everything you need under one roof.

Seamless supply chain, exceptional service: Our established network ensures reliable and timely delivery directly to your establishment. This eliminates the need for multiple vendors and simplifies your procurement process.
